MOTORCYCLE TRAINING IN MONTANA

At the request of Montana's motorcyclists, the Montana Legislature created Montana Motorcycle Rider Safety (formerly known as Montana Motorcycle Safety Education Program). Rider safety training in Montana is funded by a portion of motorcycle vehicle registration fee, a portion of motorcycle endorsement fees, and by student class fees. Montana State University-Northern houses and operates Montana Motorcycle Rider Safety as a public service. MSU-Northern is a leader in traffic education and distance learning in Montana. For more information about MSU-Northern and the various programs offered there, visit their web site at **www.msun.edu**.
